| Summary of the Event   | Leading people through change is important to help ease worries,<br>encourage communication and address uncertainty. This period<br>of post pandemic change can be stressful for an organization, but<br>strong, empathetic leadership can help organization move<br>through these transitions successfully.<br>Leaders are important to help their team stay focused despite the<br>distractions that come with changes in the workplace. This<br>session was focused to discuss why leading through change is<br>important and explain how to lead your team through a period of<br>change. |
