

GOKARAJU RANGARAJU INSTITUTE OF ENGINEERING AND  
TECHNOLOGY  
(Autonomous)

## WORKSHOP on EDGE COMPUTING

Organized by

**Department of Artificial Intelligence and Machine Learning Engineering**

DATE: 8-12-2021 to 10-12- 2021

Timings: 10am to 3pm

Venue: ECE Seminar Hall (2407)

Limited seats (30 members)

Registration Fee: IEEE members Rs.400/- and Non-IEEE members Rs.600/-

### Resource Persons

**Dr. V. HimaBindu**, Prof and Head, Dept. of ECE

**Dr. N. Swetha**, Prof. Dept of ECE and Dean FDP

### Highlights:

- Basic concepts of Machine Learning, Python and Microcontrollers.
- Working with Colour sensors, Environment sensors and Accelerometers.
- Hands-on-Training on G-Edge Board using Google Colab.
- Research and Technology advancements in Edge Computing.

**Coordinator**  
**Preethi Vennam**  
Asst. Prof

**IEEE –SB Counsellor**  
**Dr. Phaneendra Babu Bobba**  
Prof. HOD EEE

**Convener**  
**Dr. G. Karuna**  
HOD-AIMLE

Note: For Registration Contact: Preethi Vennam +91- 9700588347.

All Students of GRIET are eligible for attending the Workshop.
