HACKATHON UNNATI [15 HOURS]

12th -13th March 2026

Happy to share that *UNNATI 2026 - A 15 hours hackathon* conducted by CSI-SB, GRIET in-association with AIML & CSE, on 12th & 13th March 2026 in Hall1.

The poster features a dark purple background with a starry space theme. At the top left is the GRIET logo, and at the top right is the CSI logo. The text 'GOKARAJU RANGARAJU INSTITUTE OF ENGINEERING AND TECHNOLOGY' is centered at the top. Below it, 'CSI PRESENTS' is written in white, followed by the 'RESONANCE '26' logo with the tagline 'EXPLORE ENGINEERING...'. The word 'HACKATHON' is written in large, faint, purple letters, and 'UNNATI' is written in large, bold, white letters. Below 'UNNATI', '15 HOURS' is written in purple. Three dark purple rounded rectangles contain the following information: 'MARCH 12-13' with a calendar icon, '1500/- PER TEAM' with a money icon, and '2-4 PER TEAM' with a group of people icon. To the right, '60000/- PRIZE POOL' is written in yellow and purple with gold coin icons. A QR code is located in the bottom right, with the text 'Scan here!! FOR REGISTRATION' below it. The social media handle '@csi_griet' is at the bottom left.
